

The women of PA need **YOU**.

# ACT NOW

## on **SENATE BILL 595**

Will **YOU** fight for insurance coverage of breast MRIs and ultrasounds?

**Senate Bill 595** passed the Pennsylvania Senate **unanimously**

**Now** the bill is in the **PA House of Representatives** for consideration

**Ask your state representative to vote "yes" on Senate Bill 595** which requires insurers to cover breast MRI and ultrasound for women with:

- **High-risk factors** such as family history of breast cancer, personal history or a genetic predisposition
- **Extremely dense breasts**
- **Heterogeneously dense breasts** with one additional high-risk factor
