

# BRA BENEFIT

for **breast cancer**  
survivors

**Bras** are available at **NO COST** for women who have had breast cancer surgery *and* have a balancer or breast form.

## I am insured through **Medicare**

- Eligible for up to **12 bras / year**, 3 per quarter
- Medicare covers **\$35.30 / bra**, survivor covers remaining costs
- Prescription for bras required  
*(many shops or boutiques will take care of this step for you)*

## I am insured through **Medicaid**

- Eligible for up to **2 free managed care style bras / year**
- Prescription for bras required

## I have **private health insurance**

Many private insurers cover bras at **no cost** for breast cancer survivors. Coverage varies by provider. Please call your insurer to learn about your options.
