

# PA Breast Cancer Coalition **VIRTUAL** Conference

## *Small Business Exhibitor*

October 10 - October 16, 2021

## Become a Virtual Exhibitor Today!

This year, the PA Breast Cancer Coalition is going Virtual! Our conference has been providing a space to connect with survivors, healthcare providers, volunteers and advocates from around the state for 27 years. The PBCC is offering exhibitors a unique opportunity to connect with individuals from across PA.

The Virtual Exhibits will launch on October 10, 2020 and will continue to be available online through October 16, 2021. The conference will offer the virtual broadcast content on Friday, October 16.

Each year we reach over 1,000 attendees at our in-person conference but this year we hope to be even bigger! Women from all across Pennsylvania, who previously couldn't travel to Harrisburg, have told us that they are excited that they can now attend the PA Breast Cancer Coalition Conference. The energy, engagement and interaction will still be there. Our goal is to give our exhibitors even more opportunities to connect with our attendees statewide.

Join us for this great event!
